Bank Bill Pay Option

If you bank online, “Bill Pay” is a convenience that many banks offer for free. The set-up will differ between institutions, but the following steps may be helpful, or a bank representative can help you through the process. The advantage of this option is that it is free to payer and free to the recipient.

- Access your bank account online
- Click on the “Bill Pay” option in the menu bar
- Click on “Add Company or Person”
- You may need to scroll down to find an “Other” category
- Fill in the SUUS mailing info (above) and click Enter
- Set up “recurring” or “autopay” option for 12 months (or other) and the amount to send each time
- Click “Done”

A check from your account will be sent directly to SUUS. You save on postage and SUUS receives the full amount of the check, with no processing fees, also having a monthly payment come to SUUS helps maintain our cash flow over the entire year. Thank you!
