

*Strive for 5 Guideline
5% of your "Net Net"
More if you can, less if you can't*

**How to Compute your "Net Net" income:
Easy as A, B, C, D E, F---Gee!**

- A. Check your federal tax form line for **Adjusted Gross Income (AGI)**. Enter that on first line below.
- B. **ADD** any additional income not otherwise accounted for or any anticipated increase in earnings for the coming year.
- C. **SUBTRACT** from that amount any additional "musts" for you and your family. This may include tuition payments, support for a family member that cannot be deducted or an expense not reflected in the tax return.
- D. **TOTAL** becomes your **"NET NET" ANNUAL INCOME**.
- E. Record both 10% and 5% on the lines below
- F. And there you have it! Can you make the 5% or more commitment this year?

AGI _____

Add line B _____

Subtotal _____

Subtract line C _____

Total: _____

A. **10%** _____ **5%** _____

G. In FY23-24, we anticipate expense increases, so we ask you to consider adding even more – that you s-t-r-e-t-c-h and add to your pledge another percentage point or more of your "net net". With a new minister coming on board, we are entering an exciting period; for the good of this new chapter in our shared community, s-t-r-e-t-c-h! We can do this!
